

Sky Harbor Airport Transportation Options

You have several options for transportation services when travelling from Phoenix Sky Harbor Airport to the Scottsdale Thunderbird Suites Hotel. Below are our recommendations:

Arrival: You do not need a reservation. Upon retrieving your baggage, proceed to the "North Curb" exit and look for a dispatcher who will place you on the next shuttle. The cost is approximately \$25 per person. It is a seven passenger van that may make other stops along the way.

Departure: Our Guest Service Agents can make a return trip reservation for you. Stop by the front desk and provide them with your flight information and they will do the rest. The cost ranges from \$18 to \$22 for a trip to the airport.

You can simply walk outside the baggage claim terminal and catch a cab from one of these companies. The cost is usually around \$40 and the cab can hold up to four passengers.
